Dave,

I need to get the draft final work Archeo plan but here is the draft plan for now and EPA's comments on the plan. In addition, here is the latest proposed access roads figure.

Can you send me the PAL work plan? I want to read it before the walkthrough 8/29. I am guessing you and Ginny are already going...let me know if there isn't room for me.

See AVX response to the City's comment letter on the Phase III remedial action plan. We'll have to wait until Tuesday most likely to see submittal.
